Parlez-le!

Rêvez-le!

Vivez-le!

Le 5 janvier 2009

Bonjour à tous et à toutes !

The long awaited for registration form for « le week-end français » is finally here! Attached to this letter you will find the registration form for **you and your students**. Please make copies of it and distribute it to those students who are interested in joining the fun weekend en français. Please make sure that all information is completed on all of the forms before you send your complete packet to me (**only one check for all students should be in the packet made out to AATF Immersion Camp**). I must have all of the information on file before le week-end français.

In addition, please do stress to your interested students that the purpose of the weekend is to have fun in French; therefore, they should only register if they plan to communicate in French the entire weekend. Here is part of the letter that I give to my students. You are welcome to use it if you wish.

" Please do not consider this camp if your intentions are to speak in English because....you will not be allowed to do so !!! It's either French or nothing at all !!!

I have participated in this camp as a counselor for many years, and I know that my students have always loved it. You must, however, go there with the intention of having fun "in French only", and have a fun and great attitude for the weekend. I hope to see you there."

In addition, please find a brochure that Tamarra Soto created for the camp that you are welcome to use to advertise in your school.

I am still in the need of « **chefs de groupe** » (stays with assigned group the entire weekend) and « **chefs d'atelier** » (conducts a workshop and has a group) so please let me know as soon as possible if you are able/willing to help. If you have any questions, please do not hesitate to contact me. Merci et à bientôt je l'espère.

Amicalement,

Muriel Davison
